Sir,

Sub : Issuance of genuineness certificate – clarification –reg  
\*\*\*\*\*

It has been brought to the notice of the office that a number of requests are coming from various departments of Government for issuance of Genuineness certificate for the Degrees obtained by the students, Persons Studied in Tamil Medium (PSTM) and Transfer Certificate, etc for confirming their appointments.

In this connection, it has been clarified that this office is concerned only with the issuance of genuineness certificates for the degree obtained by the students. Regarding the other certificates viz. Persons Studied in Tamil Medium (PSTM) /Transfer Certificate are concerned they should be provided by the competent authorities viz. The Principal/Dean of the respective colleges.

But unfortunately the unconnected issues are unwittingly addressed to this office which resulted in unnecessary delays in issuing certificates and causing much inconvenience to the departments.

It is therefore requested to address this office only for the issues pertaining to the issuance of genuineness certificates for degrees obtained by the students following the procedures envisaged in the web site viz. <https://gverify.annauniv.edu>. For the remaining certificates, the concerned colleges may be addressed.
