Letter No: 3200/COE/2016  

Dated: 15/06/2016

To

All the Principals of Affiliated Colleges  
Of Anna University

Sir/Madam,

Sub: Misuse of pass percentage statistics issued by the Anna University  
for the betterment of the colleges – Instruction Issued – Reg.

**********

As you are aware that pass percentage statistics based on the academic performance published in the Anna University website dated 13.06.2016 is nothing to do with the ranking of the Affiliated Colleges but purely based on the academic performance of the colleges.

It is given to understand that after this publication, some of the colleges are taking advantage by using this statistics for the betterment of their colleges through advertisement, which is erratic and not accordance with the procedure. Hence I request you to desist from this kind of action and extend your cooperation to the University.

If any violation is noticed, serious action will be taken against the institution concerned.

Yours faithfully.
